## SUGGESTIONS

Please make sure that when taking your team photograph that the girls' faces are NOT shaded and as close-up as possible. When reviewing the photo that you are sending in for insertion, any dark areas or high white areas with little or no contrast in the photo may blend in or not show up well.

**Deadline: for Photos and Logos to be in our hands by May 30, 2010, to be included in the 2010 program book.**
